# SÈTE

31 AUGUST / 4 SEPTEMBER

The Ark arrives en France! Wake up early (or postpone your sleep) to get a glimpse of the beautiful French sunrise. We've harboured in the Mediterranean waters of Sète, a historic fisher town where one can still feel, smell and taste the craftsmanship of old fishermen. For the early beards on board: indulge yourself in the rich history of this hidden gem. The journey continues at 2PM.
